MESSAGE FROM THE PRINCIPAL

School Concert - Tuesday December 5th

SCHOOL CONCERTS this year will be held on Tuesday December 5 in the Parade area

We have split this event into 2 halves and hope that this allows more children participate in their class presentations and enjoy their evening.

Prep and Year 1 will be between 2.00pm and 3.00pm. Woolworths are kindly donating fruit platters and the P&C will be selling muffins and drinks after the performances.

Years 2 to 6 performances will begin at 5.15pm. P&C will hold a sausage sizzle and sell drinks from 4.30pm to 5.10pm. Sales will stop at 5.10pm so make sure you come along early if you want to have a snack before the concert.

Students will sit in their class groupings to ensure smoother transitions on and off the stage.

A proposed schedule with further details will be sent home next Thursday.

Please remember to be considerate of other people when filming these events. In past years, there have been issues with people standing and holding up electronic devices during the performance and blocking the view of other members of the audience.

A reminder also to be mindful of all student/family privacy when posting photos and videos on social media. Some families do not wish this to occur.

A reminder also to be mindful of all student/family privacy when posting photos and videos on social media. Some families do not wish this to occur.

Please come along and enjoy the fantastic performances by our students to celebrate the end of a long and rewarding school year.

Classes for 2018

We are currently organising the classes for 2018. Due to the numbers of children in year 2 and year 3 we will need to form one composite class resulting in a year 2/3 composite class and three classes in each of the following year levels; prep, year one, year four, year five and year six. If you have any concerns on the placement of your child, please either put them in writing via email (gpell1@eq.edu.au) or letter addressed to the Principal. I do not believe in streaming classes according to academic ability and classes are formed in consultation with staff to ensure we can get the best academic outcomes possible for all children. Please note

that concerns regarding placement for your child will be considered on three major considerations: social, emotional and academic.

The final make up of classes will not be able to be determined until the Day 8 allocation process is completed. As numbers stand at the moment, the class breakdown will be as follows:

	Class	Teacher

During Term 4, 3U have been learning about poetry and its structure. The students have been reading Australian poetry and investigating the different moods and places the author can take the reader. Students then did an adaptation of the poem, Desert Community by Frances Todd. The adaptation involved changing it to being about a Beach Community and focused on the elements of I can see, I can hear, I can feel. This is an example of one students work.
Beach Community

Sharp shells, rough rocks and lots of land
From my umbrella everywhere I look there is lots of soft sand
I see great big rough rocks and people on boogie boards
Lots of life guards and kids playing with toy swords

The laughing from the kids and the splashing of the seas
I hear birds tweeting and swishing palm trees
I hear kids screaming, laughing and having fun
I hear people jumping over the splashing waves in the sun

The windy breeze on my face and soft sand on my feet
Sharp shells wherever I step and I read a book when I sit in
my seat
I can feel the burning hot sun on my sunburnt face
I feel really happy when I win a summer beach race

3P in Art, have been doing some wonderful work involving puff painting. They worked well together in groups and produced some fantastic results. Well done!

NEW PAYMENT METHOD FOR OVER THE PHONE CREDIT CARD PAYMENTS

Parents wishing to make credit card payments over the phone are now required to call 1300 631 073 and enter their CRN code (this is a 13 digit number located at the bottom of your invoice), amount and credit card details to complete payment. A receipt number will be provided at the end of the transaction. If you do not have your invoice, your Customer Reference Number (CRN) can be obtained by contacting the school office on 4194 8333. This change of payment process is necessary to ensure we comply with the Payment Card Industry Data Security Standards which help to protect the safety of payment card data.

LIBRARY BOOK FAIR NEWS!!!

A huge thankyou to our school community for the amazing support of our Book Fair again this year. We passed our \$4000 target in sales for the third year in a row ... YES ... we got a hat trick! We have earned just over \$1200 to spend with Scholastic in 2018 on resources which will benefit our teachers and students.

Congratulations to Ryan in 1S, Abiguel in 2U and Makyia in 4U, who were the lucky winners of the \$10 vouchers to use at the Book Fair.

Thanks again everyone for making this a hugely successful fundraiser.

CHOIR

The Urangan Point State School choirs performed at Baycrest and Stocklands today. It was great to see so many people supporting the students as they sang Christmas carols.
Thanks Mrs Hatch
