The primary function of Urangan Point State School is as a place of academic and social learning.

At Urangan Point State School students are expected to conduct themselves in such a way as to allow staff and students to have the opportunity to achieve their personal goals.

For our school to function effectively and happily, all children are expected to obey the simple school rules that have been devised to ensure a safe and healthy environment.

1. We treat all people with kindness, courtesy, respect and co-operation.
2. We demonstrate self respect by showing pride in our work and all we do for school and community.
3. We practice good health and safety habits considering others first at all times.
4. We try our best at all times
5. We are in the right place at the right time.
6. We accept responsibility for our own actions.
7. We are truthful and honest.
8. We are properly dressed and equipped for each school day.

Our School Rules

1. HANDS OFF - Keep your hands, feet and other objects to yourself
2. RESPECT YOURSELF, OTHERS AND PROPERTY – Bullying, Teasing, Harassment and Swearing are not permitted
3. NO SHOES, NO HAT, NO PLAY
4. ALWAYS WALK around buildings, on concrete and pathways
5. Adhere to the School Dress Code

Behaviour on the way to and from School

All children are responsible to the school for their behaviour on the way to and from school. Children should be thoroughly familiar with the route from home to school, should be aware of road hazards, know the road crossings and know simple road safety rules. Parents should ensure that children do not loiter on the way to and from school, do not visit friends without permission, or talk to strangers.

Arriving at and leaving School

Children should not enter the school grounds before 8.00 a.m. and should leave the grounds by 3.15 p.m. unless undertaking an activity under the supervision of a teacher.

Once children arrive at school, they are not to leave the school grounds unless with the permission of the Principal. Parents and carers are reminded that there is no supervision of children before 8.00 a.m. If a student should arrive before 8.00 a.m. they must remain in the covered play area until the 8.30 a.m. bell is rung. They can then proceed to their classrooms.

School Crossing

A system of School Crossing Supervision is in operation at this school. The Supervisors male or female, have been officially appointed by the Department of Transport to this position and operate each morning and afternoon on all school days.

Crossing Procedure

The Supervisors will ask all pedestrians, both children and adults, to wait on the footpath. When a suitable gap appears in the traffic from both directions, the Supervisor will extend the Stop sign to face traffic, will blow two blasts of the whistle to indicate that pedestrians may then cross.

Pedestrians should keep to the left and walk straight across. One whistle means it is not safe to cross and all pedestrians must then wait.

Please have your children listen carefully to whistle and voice signals from the Supervisor and not move off the footpath until the whistle is blown.

Children on Bicycles

All cyclists will dismount and walk their bicycles over the crossing. It is strongly suggested that children secure their bicycles with a lock and chain during school hours to prevent theft.
